The Little Art

The Little Art is a non-profit organization that attempts to use art and its various forms as a key spur in providing and improving education across Pakistan. Since its advent in 2007, The Little Art has strived to incorporate art with the present education system in a way as to facilitate children to not only realize their dreams but to protect them, nourish them and eventually turn them into reality.

Teachers' Resource Centre

The Teachers' Resource Centre (TRC) is a non-profit, non-government organization, established in 1986. A group of educationists formed TRC as a response to the declining standards of education in both government and private sector schools.
